

Reverse Trade Show Tickets: On SALE NOW!

Visit Major Industries at One Location

What: PEP's industrial reverse trade show brings decision-makers from industry together in one location. Ticket holders from the supplier, vendor and service sectors are the visitors who walk through the show "calling on" plant managers, purchasing managers, engineers and maintenance managers from industry, multi disciplined engineering firms, major medical centers and more...

When: Thursday, October 13th 1pm - 5pm

Where: Ft Whiting, Brookley Complex

Why: It is a cost effective and efficient method of making sales calls on senior purchasers and decision makers of more than 40 major manufacturing, engineering and construction firms in just one afternoon.

VIP Early Pass: Allows ticket purchasers to gain access to the show **1 HOUR EARLY** for an additional \$50! Only 70 will be sold, so act fast to take advantage of this exclusive opportunity to call on decision makers from all 40+ exhibitors.

Your competitors show up – so should you. Last year, more than 330 individuals from all over the Southeast attended the show - some from as far away as Ohio and South Carolina!
